“DRIVING STUDENTS INTO THE FUTURE”

CLASSROOM AND CAR RULES AND REGULATIONS

In order to complete this course each student is required to have thirty (30) hours of classroom and six (6) hours of behind-the-wheel instruction. Schedules will be available to sign up for drive times at the classroom sessions. It is important that the student is on time for all drive times, the Instructors are paid by the hour, any unexcused absence of a scheduled drive time will result in a \$25.00 fee payable before a Certificate is released.

A book will be assigned to the students at the beginning of the first class. The students will be responsible for that book and must turn in good shape at the last class, before Certificates of Completion are distributed. Students should bring a notebook so they can take notes.

Each student must attend every classroom session to receive their Certificate of Completion, this is mandated by the State of Iowa. If for some reason a class is missed the student will have to make up a session at another location or in the next session in Ida Grove.

The students need to remember to bring their permit with them when they are scheduled to drive. In the event that school at OABCIG is cancelled due to weather, any drive times scheduled on that day will be cancelled and re-scheduled as well.

Once again we appreciate and value your business. If you have any questions feel free to contact us so that we may help you.

Sincerely,

Deluxe Driving Academy
